C Junior Front-end Developer

Atelier Cannelle · 2 days ago

Work-study · Paris · Hybrid

Join a small product team and build warm, accessible interfaces with HTML, CSS and JavaScript.

Salary **€1,250 / month**

Location **Paris 11e**

Working time **3 days work / 2 school**

Contract **Work-study · 24 months**

About the role

You will turn designs into responsive pages, fix interface bugs with the team and take part in code reviews. A senior developer mentors you every week.

Who we are looking for

Curious, rigorous and comfortable with Git. A first HTML/CSS/JS project is enough: motivation matters more than experience.
